--- 1/12th Pound -"Series of 1942" - 152 x 15 mm. ---

The catalogue lists **RP-1729** (the imperforate ***4¢ - EXCISE / TAX*** surcharged 1/12th pound "Series of 1942" strip). The strip is *very uncommon*. The collection ***does not contain***, and I ***have not seen*** a copy of this item. As was previously noted the Series "C" 1/12th pound **4¢ / EXCISE / TAX** surcharged strip, last recorded in April1943, is also scarce.

There was apparently no demand for the ***4¢- EXCISE / TAX*** surcharged 1/12th pound "Series of 1942" strip, and only a single copy has been listed. I ***do not know*** where this listing comes from, as the strip is on my ***want-list***. Apparently I have either lost the strip, recorded it without realizing that is was on my *want list*, or this is a typo-mistake in the process of listing numbers for the computer collection.

0280749 RP-1729 ***4¢ - EXCISE / TAX*** on 1/12th pound, imperforate, coded **LARUS / 100**

Beginning in April 1947, after the printing of the wartime surcharge was no longer mandated, **RP-1769** (the imperforate 1/12th pound "Series of 1942" strip) came into use. Some of these *undated* strips probably come from the second pass through the control numbers.
